IP Planning

- Character design
- Film & TV planning/production
- Worldbuilding & Storytelling
- Theme park attraction development
- Toy & Merchandise design/production

From concept development and character design to 3D data creation, we provide end-to-end solutions for media-ready IPs including:

Character Merchandise

▲ "Panda no SeiSei" Products & Mascots

▲ Kaiju soft vinyl figure

▲ Figures

▲ Hero figures

▲ Kaiju plush toys

We plan, prototype, mass-produce, and help commercialize character-based products (2D, 3D, or video-based).

- Product planning & Design
- Figures, Soft vinyl, Plush toys
- Mass production & Distribution

▲ "Choco Vaders" figures

Special Effects Movie

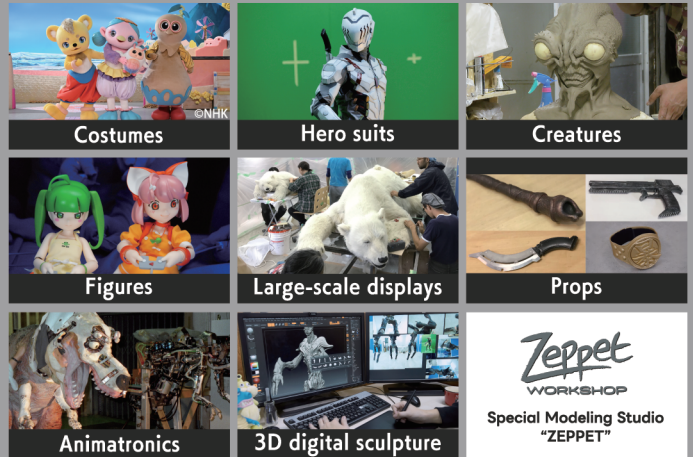

Experts in SFX, CG, VFX, and creature fabrication.

We handle the full pipeline from planning, scripting, storyboarding, filming, to sound design.

Production fields:

- Feature films
- TV programs
- Online videos
- Game cinematics
- Pachinko visuals
- Theme park videos
- Museum & Exhibit content

Special Modeling

*Includes works produced by CEO Junya Okabe.

Our in-house studio covers everything from traditional Showa-era techniques to modern Hollywood and 3D digital fabrication. We welcome both corporate and individual projects.
